Dear Ramesh

I came to know that you are seriously ill. You have been suffering from Typhoid for a month or so. I am really upset. Is there any improvement? I hope your parents are seeking best medical treatment. You should not feel sad or discouraged. You will soon be hale and hearty. Illness come and go. Do not take your illness to heart. Read some good story books and comics. Watch good TV programmes. But don't get tired in doing anything. Eat good food. Everything will be alright.

I am looking forward to your letter.

Best wishes for your speedy recovery!

Yours sincerely

Sandeep
